

# LOCALISING THE 2030 AGENDA

Strengthening the capacity of local actors  
to influence leverage points for  
transformation

## Programme description

The 2030 Agenda emphasises the necessity for all countries and stakeholders to act in collaborative partnerships to address social, environmental and economic dimensions of Sustainable Development.

This online UNSSC training programme will showcase and strengthen innovative experiences and broker collaborative networks so as to conceptualise, sustain and upscale transformative interventions in support of the 2030 Agenda for Sustainable Development.

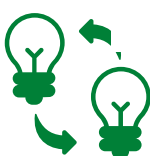

The programme aims to:

**PROVIDE** participants with substantial inputs on Sustainable Development

**EMPOWER** participants with critical competencies for multisectoral work

**BROKER** knowledge insights and experiences between participants.

## OVERVIEW

Online

English

Deadline for applications  
20.03.2022

12 virtual classes between  
23.05 - 30.06

40 participants from local governments, civil society, academia and public and private sectors will be selected

Certificate of completion issued by the UNSSC

This programme is free of charge

For more information please contact:

[Sustainable-development@unssc.org](mailto:Sustainable-development@unssc.org)

## Objectives

By the end of the programme, participants will:

- Have an enhanced understanding of core concepts relevant for the implementation of the 2030 Agenda at the local level;
- Have increased connections with like-minded actors from around the globe;
- Have developed concrete ideas to improve and scale their initiatives.

Lessons learnt and recommendations will be ready for the 2022 High-Level Political Forum on Sustainable Development.

## Methodology

Over the course of the programme participants will have:

- Opportunities to share and connect between May and June.
- 12 moderated virtual classes at a pace of 2 per week over 6 weeks, of which:
  - 4 Substantive online classes
  - 4 Competency workshops
  - 4 Share and connect sessions

The Localising the 2030 Agenda programme is financed by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, commissioned by the Government of the Federal Republic of Germany and implemented by the United Nations System Staff College.
